Welcome to Aspire Hearing and Balance!

Dear Patient,

Hello and welcome to our practice!

Thank you for your interest in Aspire Hearing and Balance and our center for tinnitus management. The center provides comprehensive diagnostic assessments, education, and management strategies for people who are bothered by their tinnitus. Our goal is to provide you with the information and tools you need to guide you to a point where your tinnitus is no longer an intrusion in your life.

We are located at 635 Midflorida Drive, Suite 2, in Lakeland. Our office is located right behind the St. Luke's Health and Wellness Center in the Viking Office Park.

WHAT SHOULD I EXPECT?

Your initial consultation lasts approximately 60-90 minutes. It is recommended that you bring a friend or relative to the appointment. A complete audiological evaluation and a battery of hearing tests will be performed which will provide us with information about your hearing, as well as tinnitus and/or sound sensitivity. Some of these tests are not routinely performed at other clinics. If you recently had any other audiological or medical tests, please bring those results with you. Due to the specialized nature of some of the tests performed in our center, we will need to perform our own assessment even if you have had testing completed recently.

Following your assessment, the results will be discussed with you in detail and your questions will be addressed. Based on what is found during the consultation, an individualized plan is established to guide you on the path to managing your tinnitus. This might entail techniques such as TRT (Tinnitus Retraining Therapy), hearing instruments, stress/anxiety management, breathwork, hearing protection, enhanced sound environment, or a combination of several of these options.

WILL INSURANCE COVER THE EVALUATION?

It is possible that the diagnostic procedures may be covered by your insurance plan. The coverage will depend on the type of plan you have. Please contact our practice to determine if we accept assignment from your insurance. If we do not accept your insurance, we will be happy to provide you with the exact out of pocket cost required for the assessment.

Thank you for choosing Aspire Hearing and Balance for your hearing health care needs. We look forward to seeing you for your scheduled appointment and to helping you live life beyond your tinnitus. In the event that you need to reschedule or cancel your appointment, kindly provide us with at least 48 hours notice so we can provide another patient with the opportunity to see us for care. Should you have any further questions, please feel free to contact our office at 863-646-3277.

Yours for Better Hearing,

The Aspire Hearing and Balance Team

POLICIES AND PROCEDURES

Welcome to our office. Please read the following information regarding our Policies and Procedures. Thank you!

INSURANCE RELATED INFORMATION:

Aspire Hearing and Balance LLC is a participating provider with many insurance carriers in the area. We can assist you in determining whether we are a participating provider for your insurance plan.

Insurance coverage is an agreement between YOU and your insurance carrier. We, as healthcare providers, just execute that agreement for you. Thus, it is your responsibility to determine whether you have out of network benefits (if we are not a provider for your insurance plan), if you require prior authorization or a referral prior to services being provided or if audiology services and/or hearing aids are covered through your plan. It is important to gather this information prior to your appointment with us. Aspire Hearing and Balance LLC cannot submit a claim to any insurance carrier if we do not have all required orders, referrals, or prior authorizations on file. They cannot be obtained after the service is provided.

Insurance carriers do not cover, in full, all goods and services. While we will verify coverage specifics with your insurance carrier as needed, please understand that these are NOT a guarantee of coverage or payment. There may be situations where your insurance carrier does not cover the specific good or service you are requesting.

ASSIGNMENT OF INSURANCE BENEFITS:

I authorize my insurance company to pay and hereby assign directly to Aspire Hearing and Balance LLC all benefits, if any, otherwise payable to me for services as described on the attached forms.

I further expressly agree and acknowledge that my signature on this document authorizes my audiologist to submit claims for benefits, for services rendered or for services to be rendered, without obtaining my signature on each and every claim to be submitted for myself and/or dependents, that I will be bound by this signature as though the undersigned has personally signed the particular claim. I understand that I am financially responsible for all charges incurred. I further acknowledge that any insurance benefits, when received by and paid to Aspire Hearing and Balance LLC, will be credited to my account in accordance with the above said agreement.

PERMISSION FOR TREATMENT:

Permission is hereby granted for audiologists, audiologists in training, or employees of Aspire Hearing and Balance LLC to render such medical treatment as is deemed necessary.

AUTHORIZATION FOR THE USE OR DISCLOSURE OF HEALTH INFORMATION FOR TREATMENT OR PAYMENT

As part of your healthcare, this practice originates and maintains electronic records describing your health history, symptoms, examinations, test results, diagnoses, and treatment, any plans for future care or treatment and payment for services or treatment we provided. We use this information to:

- Plan your care and treatment
- Communicate with other health professionals and entities who contribute to your healthcare
- Submit your diagnosis and treatment information for payment for the services or treatment provided to you

"Only as permitted or required by federal or state law", we may use your protected healthcare information to do the following:

- To disclose, as may be necessary, your health information (including HIV+/AIDS status, drug/alcohol abuse notes and qualified mental health notes) to other healthcare providers and healthcare entities (such as referrals to or consultation with, other healthcare professionals, laboratories, hospitals, etc.) or to others as may be required by law or court order concerning your treatment, payment, and/or healthcare.
- To request from other healthcare entities and/or healthcare providers (i.e. doctors, dentists, hospitals, labs, imaging centers, etc.) specific healthcare information we may need for planning your care and treatment.

- To submit necessary information to your insurance company(s) for coverage verification as well as the diagnosis and treatment information to your insurance company(s) other agencies and/or individual(s) for payment of our services or treatment we provided to you.
- To leave appointment reminders or other minimum necessary information related to your healthcare or healthcare payments on your answering machine, your mobile voicemail, or with a household family member.
- To discuss your health or payment information (only the minimum necessary in our judgment) with family members or other persons who are or may be involved with your healthcare treatment or payments.
- You may request a copy of, or as a new patient, will be given a copy of our “*Notice of Patient Privacy Practices*” that provides a more complete description of health information uses and disclosures as required by the HIPAA standard.
- You have read or have had the right to read the “*Notice of Patient Privacy Practices*” prior to signing this authorization.

POLICY ON RESPONSIBILITY FOR PATIENT FEES:

To communicate effectively, we have created this policy to help the undersigned understand the responsibilities for payment of our fees. If at any time you as the responsible party have questions or problems with our fees or payment process, please don't hesitate to contact our office at 863-646-3277.

We require all charges be paid promptly as we present them. In some cases, our fees may be adjusted, based on whether we participate in or accept insurance or government program payments, allowances, or limitations. But, if we present a charge, it means that we have taken any such adjustment into account and that the amount remaining must be promptly paid at that time. If you are to be reimbursed directly by a program for the cost of your care, you must still pay our charges promptly, whether or not you have received that reimbursement.

If you do not agree with patient responsibility amounts or reimbursement amounts set by the insurance company or government program, that matter is between the responsible part and that program. We are happy to provide factual information about the patient's care and billing to assist in appeals with such entities, but we still require the charges be paid promptly, even if the issue with any reimbursement program has not been resolved.

Payment for our services is due at the time that those services are provided, and we expect that all charges we present at a visit will be paid at the time of visit. This includes, among other things, copay amounts, program deductibles, earlier charges that remain unpaid, and charges for services that we believe are not covered by, or are left over as patient-responsible party's duty to pay after coverage by insurance or government programs. We may also present charges by written statement via the mail, e-mail if authorized by the patient, or through our Patient Portal following a visit. If we do this, we expect that each charge will be paid in full by return mail or through the Patient Portal online bill payment system the first time it is presented.

We or our agents may send statements and reminders of charges made and amounts that we believe must be paid, or may call the undersigned about the same. By accepting our services, the undersigned is consenting to receive these communications.

In consideration of the services rendered to the patient, the undersigned agrees to accept full financial responsibility for the patient's account in accordance with the regular rates and terms of the facility. Should the account be referred for collection procedures, the undersigned shall pay responsible attorney's fees and collection expenses. At present, that fee is a minimum of 30% of charges collected and is payable before the patient is seen in the office of Aspire Hearing and Balance LLC at next visit. We also reserve the right to discontinue care or service to patients who have not met their financial obligations to us.

Cancellation Policy, “No Show” Fees, and Late Arrival Policy

We require that you give our office at least 48 business hour notice if you need to cancel or reschedule an office or diagnostic testing appointment. Business hours are Monday through Friday from 8:30am to 4:00pm. There will be a \$35.00 fee for any missed appointments or late cancellations with less than 24 hours notice. If you cancel or reschedule

your appointment more than two times, we will be forced to take credit card information to keep on file and charge a \$75 cancellation fee if the next visit (3rd) is cancelled or rescheduled.

We understand that sometimes you may be running late to your appointment. Unfortunately, we have patients scheduled throughout the day and may not be able to see you if you arrive more than 15 minutes after your scheduled appointment. We will try to accommodate you if time allows. Otherwise, we will need for you to come back later in the day or reschedule for another day and time.

Other Fees:

After receiving your signed authorization, we will send medical records at your request to the physician of your choice free of charge. All other requests for release of confidential information have the following charges:

\$1.00 per page – up to 25 pages

\$.25 cents per page – 26 pages or more

The following fees apply for the documents below if the request is not made during an office visit:

Audiologist statement or letter - \$25.00-\$250.00 depending on time and records review

Payments

Aspire Hearing and Balance LLC accepts payment in the form of cash, checks, Visa, Mastercard, Discover, and American Express. We also offer a third-party credit program through Allegro Credit or CareCredit. There will be a \$30 fee for all bounced or returned checks.

SIGNATURE FORM

The undersigned has read and agrees to the information stated above:

- Notice of Privacy Practices for Protected Health Information
- Assignment of Insurance Benefits
- Permission for Treatment
- Authorization for the Use or Disclosure of Health Information for Treatment or Payment
- Policy on Responsibility for Patient Fees

Signature (Required): _____ **Date Signed:** _____

DISCLAIMERS: Please initial next to each disclaimer.

_____ As a professional courtesy, we will submit your claim to your insurance provider, but this does not guarantee their payment. You accept responsibility for co-payment, deductibles, or not covered procedures. Your insurance must be on file at the time of your appointment.

_____ By initialing this section and signing below, I hereby authorize Aspire Hearing and Balance LLC to send me educational and/or marketing information on the products and/or services offered by Aspire Hearing and Balance LLC. No remuneration is involved in this communication. I understand that I may revoke this authorization, in writing, at any time.

_____ *Medicare patients only:* Medicare will cover hearing testing if your physician has ordered such testing for a diagnostic medical evaluation or to determine the appropriate medical or surgical treatment or a hearing deficit or related medical problem. Medicare **will not** cover hearing testing for routine hearing evaluations to check your hearing status and adjust your hearing aids.

_____ I understand that if I am seen without a referral from my primary care physician and my health plan required that I obtain that referral, then my health plan may not cover the charges, costs, or expenses of my care from Aspire Hearing and Balance LLC and in that case I will be responsible for the total balance.
